

1 BILL NO. ~~8~~-80-07- 27

2 SPECIAL RESOLUTION NO. ~~8~~- 6080

3  
4 A RESOLUTION providing for the payment  
5 of overtime pay to members of the police  
6 department, for overtime work in con-  
7 nection with the "Vernon Jordan incident".

8 WHEREAS, Section 1, Public Law 281, Acts of 1947  
9 (I.C. 19-1-16-1) authorizes the Common Council to fix a rate  
10 at which a member of the police department is to be compensated  
11 when he is "requested or required to perform service outside  
12 the limits of his regular eight (8) hour shift";

13 WHEREAS, recently a major and unexpected emergency  
14 occurred in the City of Fort Wayne in connection with the  
15 "Vernon Jordan incident" which commenced on May 29, 1980 con-  
16 tinuing through June 1, 1980, which required the services of  
17 every available member of the police department, regardless  
18 of total hours previously worked by particular officers, the  
19 result being the accumulation of many hours of overtime work  
20 by many members of the department;

21 WHEREAS, the manpower of the police department is  
22 currently not such as to lend itself efficiently to the use of  
23 compensatory time off as a method of compensating such officers  
24 for such overtime work;

25 WHEREAS, it is the sense of this body that such work  
26 should not go uncompensated, and that a reasonable compensation  
27 for said overtime for all members would be 1 1/2 times the of-  
28 ficer's regular rate of pay, which would amount to the total  
29 sum of \$24,932.68 for all such members as set forth in a  
30 schedule prepared by the Police Department and attached hereto.

31 WHEREAS, there are unexpended funds in the salary  
32 and wages account of the Police Department sufficient to pay  
said overtime at said rate which it is presently anticipated

will not be needed for expenditures this fiscal year.

WHEREAS, this body has on a number of prior occasions approved collective bargaining agreements containing provisions for the payment of overtime pay;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, in addition to the base salary and all other forms and items of compensation now prescribed, there shall be paid to every member of the police department, overtime compensation at the rate of 1 1/2 times the officer's regular rate of pay for all hours of work in excess of eight (8) hours per day accumulated in connection with the "Vernon Jordan incident" as set forth on the attached schedule.

SECTION 2. Such "overtime pay" totalling of sum of \$24,932.68 shall be charged to the "salaries and wages, regular" account number 4-02-010-014-4111 of the current budget of the police department.

SECTION 3. The City Controller shall remit the overtime pay, so earned and certified, to each member of the police department entitled to it either by adding the amount thereof to his regular pay check or by issuing an additional pay check not later than fifteen (15) days after the adoption of this resolution.

SECTION 4. That this resolutuon shall be effective upon passage and approval by the Mayor.

## THE CITY OF FORT WAYNE

CITY-COUNTY BUILDING • ONE MAIN STREET • FORT WAYNE, INDIANA 46802

police department

June 20, 1980

Mr. Frank Heymann  
City Controller  
City-County Building, 9th Floor  
Fort Wayne, Indiana 46802

Dear Sir:

Due to the unusual amount of overtime hours accumulated by the Fort Wayne Police Department starting May 29, 1980, reference to the Vernon Jordan incident, I would like to recommend that this time be repaid monetarily instead of compensatory time being given.

The 4th of July is fast approaching and the Police Department will be required to furnish 100 officers for traffic control for the fireworks that day. With additional overtime being accumulated on the 4th of July, I strongly urge that my recommendation be approved.

In addition, the Three Rivers Festival is almost upon us, starting on July 12, 1980 and continuing through July 20, 1980. This will create additional overtime hours for the Fort Wayne Police Department. The Three Rivers Festival alone is a big problem to the Police Department every year because of the many overtime hours the officers work.

As mentioned above, the time for this investigation is unusual and we have a difficult time with compensatory time. Again, I would like to thank you for considering my recommendation reference the pay for overtime hours in regard to the Vernon Jordan incident.

Sincerely,

*Leon Wolfe*

OVERTIME FOR OVERTIME CASE

IN COMPENSATION TIME

& COST

Formula for compensation time: Multiply hours worked by time and half.

Example: A Patrolman works 3 hours over time

3 X 1.5 = 4.5 of time off

Cost and compensation hours are all based on a Patrolman base pay of \$7.40 an hour, with time and a half (11.10).
